

## P44-D-TRK DESCRIPTION

Catalog #	Type
Project	
Comments	
Prepared by	Date

The Prime 44 Direct Track lighting fixture provides distinctive track lighting in a 4" x 4" housing. Perfect for a variety of applications where elegant track lighting is required, such as museums, libraries, schools and boardrooms.

The Prime 44 Direct Track lighting fixture is available with 120V single or dual circuit track or 277V dual circuit track.

The P44 WW Direct Track lighting fixture is available in 2', 3', 4', 6' or 8' individual sizes with welded end caps for a clean look.

The Prime 44 Direct Track lighting fixture can be pendant mounted using either rigid stems or aircraft cables.
